Leadership Message

I am delighted to introduce myself as the new Deputy Headteacher working cross site at both the Lower and Upper Academy. My areas of responsibility are Pastoral, Personal Development and Safeguarding and I am really excited to work alongside you to ensure that every student feels safe, supported and inspired to achieve their very best. I have already been really impressed with the dedication of staff and the strong start to the new academic year that has been shown by the majority of students across both schools.

My role is centred on creating a positive, respectful and inclusive environment where all students can thrive. Excellent behaviour, strong attendance and a culture of safeguarding are the foundations of success in school and beyond and I am committed to working in partnership with families, students and staff to uphold these values. A main aim this year is to ensure that there is complete alignment between the Lower and Upper Academy, so that the identity of both schools shares the same culture and ethos.

I believe that the best outcomes for young people are achieved when schools and families work closely together. I will always welcome open and respectful communication and I encourage you to share any concerns, ideas or feedback so that together we can provide the very best for the young people in our school community.

I am very much looking forward to getting to know both you and your children in the coming weeks and celebrating lots of successes as we move forward.

Thank you for your continued support.

E. Huet - Deputy Headteacher

Welcoming Our Future Year 7 Students

On Wednesday 10th September, The Basildon Lower Academy was delighted to welcome Year 6 parents and carers, to our Transition Event. The afternoon provided an opportunity for families of prospective students due to join us in September 2026 to find out more about life at the Basildon Academies.

Our Headteacher, Rebecca Rees, along with key members of staff, shared insights into our values, support systems, and the exciting opportunities available to all students. Families also heard more about our supportive learning environment that enables every child to thrive and achieve their full potential.

A real highlight of the event was hearing directly from our current students, who spoke with great confidence and maturity in front of an audience of prospective families. Their ability to share personal experiences of Academy life, from the strong pastoral support to the wide range of extra-curricular activities, was a true testament to their communication and public speaking skills. They represented the Academy brilliantly and embodied the values we strive to uphold every day.

We are incredibly proud of:

- Euan.S (Year 8)
- Nayme.I (Year 8)
- Emily.C (Year 8)
- Leonard.B (Year 8)
- Sapphire.B (Year 9)
- Sasha.S (Year 9)

The afternoon concluded with parents and carers taking the opportunity to speak with staff on a one-to-one basis, allowing for personalised conversations and questions about the transition process.

We would like to thank all families who attended and look forward to supporting our future Year 7s on their journey ahead.

If you'd like to see more of what was shared during the event, you can view the presentation here: [Year 6 Transition Presentation](#). This gives a great overview of life at The Basildon Academies and may be especially useful for families with younger children who will soon be making the transition to secondary school.
